## **6 Members Fees**

The Club Management Committee again confirm that there shall be no annual membership fee but that Members will be required to pay the following fees by bank transfer for each half term in advance.

The Club Finance Committee has reviewed the current finances of the club and propose to raise the session fees from £3.50 per hour to £4 per hour.

Fees

- £6 for every 1 ½ hour volleyball session that they attend;
- £8 for every 2 hour volleyball session that they attend.

It was noted that we last put the members fees up by 50p in 2022 to £3.50 per hour. Other clubs are charging £5-10 per hour. This is a 14% increase to cover the 14% increase in school hire and proposed increase in coaches fee.

## **7 Coaches Fees**

The Finance Committee have recommended that the coaches fees are increased as follows:

Head Coach from £33 to £35 per hour

Assistant Coach from £18 to £20 per hour.

It was noted that in the 3 years prior to July 2023 we paid

£30 per hour to the head coach and £15 per hour for

Assistants. In 2023 we increased to £33ph and £18 per

hour. It was noted that Volleyball England are advertising for head coaches at £35ph.

## **8 Any other business**
